Sitting on a massive pie-shaped lot, this home has undergone a full exterior transformation with durable and stylish Hardie board siding and a professionally landscaped backyard thatâ€™s ready for summer BBQs, trampolines, and epic hangouts. The primary residence boasts 1550 developed sq feet and even better, a new private side entrance leads directly to an illegal one-bedroom suite â€” perfect for multi-generational living, extra income, or guests who overstay but bring wine.

Inside, youâ€™ll find updates in all the right places: new windows, a new roof, new furnace and A/C, luxury vinyl plank flooring, designer lighting, and fresh paint throughout. The kitchen is a showstopper with quartz countertops, subway tile backsplash, stainless steel appliances, and an awesome island â€” ideal for everything from pancake mornings to wine-and-charcuterie nights.

Upstairs, the primary bedroom is equal parts cozy and cool, with dual closets and a private ensuite. Two more spacious bedrooms and a renovated full bathroom complete the upper level. On the lower level, unwind in the second

The illegal basement suite includes a bright bedroom, open living space, and its own private entrance – a fantastic mortgage helper or flexible living solution with long-term value.

Outside, a powered backyard outbuilding offers even more flexibility – perfect as a home office, gym, studio, or premium storage space. There’s also an oversized double detached garage, an additional single garage, and access via a paved back lane – offering room for vehicles, gear, and more.
