House #2 is a recently renovated 3 bedroom bungalow (with the possibility of a 4th) featuring so many upgrades! New vinyl windows, vinyl plank flooring, both 4-piece bathrooms updated, fresh paint, new basement flooring, PEX plumbing, a new electrical panel, siding, shingles and more! The oversized double detached garage is heated and has its own electrical panel. The property also includes a barn with three tie stalls and three (possibly four) regular stalls, a

well at the barn, and a second well at the house. The homes share the septic tank and field. New post-and-rail fencing lines the access side of the property, and each homesâ€™ private lane way has views of the rolling fields that are simply beautiful.
