Welcome to the Hudson by Rohit Homes in the growing southeast community of Heartwood. This brand-new home offers 3 bedrooms, 2.5 bathrooms, and a design that blends style, comfort, and functionality. Inside, the Neoclassical Revival Designer Interior, brings a timeless, elegant look.

Herringbone-patterned flooring, custom lighting, and curated mirrors add refinement, while the overall palette emphasizes grace, luxury, and classic charm.

The main floor features an open concept layout with a modern kitchen complete with full-height cabinetry, quartz counters, and a large peninsula island. The dining area and living room are bright and inviting, accented by oversized windows, built-in shelving, and a tray ceiling. A convenient two-piece bath completes the level. Upstairs, the primary suite offers a private retreat with a walk-in closet and an ensuite that includes dual sinks and a fully tiled walk-in shower. Two additional bedrooms, a full bathroom, and upper-level laundry provide everyday convenience. A separate side entrance enhances the flexibility for future basement development, giving you options as your needs grow.
